Dear Sir:

Administrative Services Corporation specializes in the design and administration of Group Insurance Plans that meet the special needs of Employee Welfare and Recreation Associations.

For "openers", I've attached a proposed Dental Insurance Plan, but if there's a hard-to-write coverage you'd like for your members, give us a chance to develop a program for you.

Just detach and return the tab at the bottom of this note, or call me directly at Area Code 301, 727-3620.

Yours truly,

Robert T. Strudwick
